Sir;

Keys: Were stored in the top drawer of the duty desk. There is no line of sight from behind the duty desk to the gym.

Duty Log: (b)(6), (b)(7)c was the outgoing duty and arrived at 0830 on the 19th. SNO was on the drill deck working out.
(b)(6), (b)(7)c was the incoming duty and arrived at the duty desk at approximately 0945 to conduct duty turnover.

Please let me know if you would like to re-attack with the two Marines.

Sir;

SAFE is not functioning so I am attaching the information in a password-protected MS Word file. Sending password via text. MS Word encryption is 256-bit.
